UTILITY

Toolbox

# Scope of Application

Such a useful tool

Optical Cable  
Construction

Cable repair construction,  
cable repair maintenance

## Data Center Relocation

---

Cable repair construction,  
cable repair maintenance

## Equipment Maintenance

---

Cable repair construction,  
cable repair maintenance

## Toolbox

## Firm Card Position

Bumping and shaking, not easy to fall off

The classis weights only 4.2kg

430mm

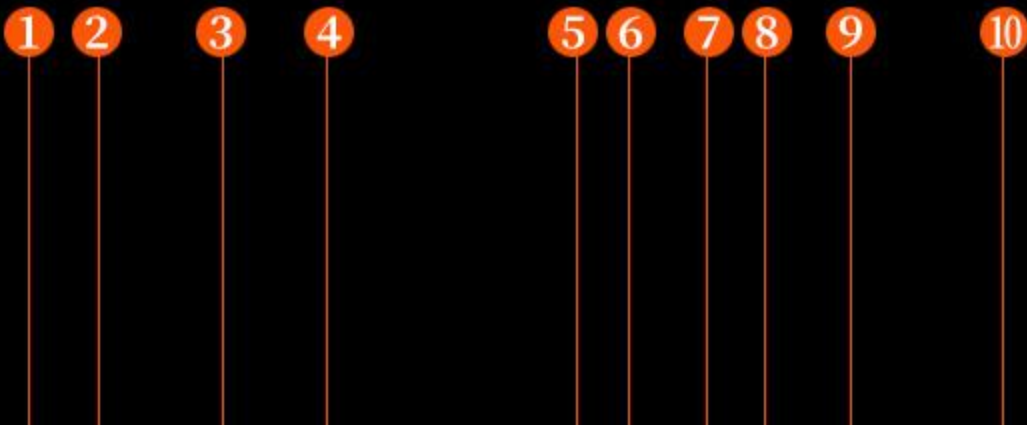

300mm

Toolbox

# Industrial Suit

Easily handle construction requirements

Complete supporting facilities  
for innovation and upgrade
